International: Incoming/Outgoing.....\$50.00

Single entry ACH.....\$15.00

Plus sales tax where applicable including all fees assessed on checking accounts

*Applicable to checking accounts

**Applicable to checking and savings accounts

The fees may be changed by the Bank at any time after giving you written notice of not less than thirty days. For information on the interest rates and annual percentage yields of any of the accounts listed - refer to the SNB rate sheet which is in effect at the time, or contact us at 712-277-6500, or your local branch. The Bank reserves the right to require that all printed checks be purchased from an approved check printing company (available upon request). If any time you should use checks printed by someone other than authorized by the Bank, the Bank may charge a \$1.00 fee per check for each check rejected and manually re-entered.

STANDARD OVERDRAFT PRACTICES

An overdraft occurs when you do not have enough money in your deposit account to cover a transaction, but we pay it anyway. We use the ledger balance less any Regulation CC holds to determine whether your account is overdrawn. Debit card transactions may be posted to your account several days after the merchant receives authorization. This means a transaction authorized against sufficient funds in your account may result in an overdraft when it eventually posts if intervening transactions have reduced the ledger balance. We may authorize and pay overdrafts for checks; transactions made using your deposit account number, such as ACH or in person withdrawals; and recurring transactions using your debit card. We will NOT authorize or pay overdrafts for ATM transactions or everyday debit card (one-time) transactions unless you opt in. We may charge you an Overdraft Fee for each overdraft item we pay (see above for fee amount). We pay overdrafts at our discretion, which means we do not guarantee that we will always authorize or pay any type of transaction. If we do not authorize a debit card transaction, it will be declined at the merchant. If we do not pay a transaction, it will be returned unpaid and you may be charged a Return Item Fee (see above for fee amount). Items that we return unpaid and are subsequently represented for payment will only be charged one Return Item Fee - If we can identify that the item is a representation. We limit the number of Overdraft and Return Item Fees to 6 per day, regardless of how many items we pay or return on your behalf. In addition, we will not charge an Overdraft Fee if the end of day ledger balance is overdrawn by \$30.00 or less.

OVERDRAFT PROTECTION PLANS

We also offer overdraft protection plans, such as a link between a checking and savings account (See Overdraft Protection Service listed above) or a line of credit, which may be less expensive than our standard overdraft practices. To learn more ask us about these plans.

PAYMENT PROCESSING ORDER

1. Deposits and Credits
2. SNB card-based transactions
3. Ebank bill payments
4. All other items in a Time/Date/Stamp Order
