3. The account owner(s) agree(s) to indemnify and hold the Bank harmless against any claims, demands, costs or expenses resulting from or arising out of any unlawful or unauthorized requests for funds transfer or in failing or refusing to make any requested transfers.

8. Changes to accounts subject to Funds Transfer may be accepted verbally or in writing. Authorizing funds transfers through Internet Banking will also activate the same transfer capabilities through SNAP.

Security National Bank of South Dakota External Transfer Service Agreement

1. General Terms Applicable to External Transfer Service

Your use of Internet Banking with Security National Bank of South Dakota ("Bank") to issue instructions to Bank to make transfers to or from accounts not held by Bank ("External Transfer Service") means that you agree to the following terms and conditions set forth in this section. You agree that you will not use this service for International ACH Transactions, which are prohibited under this Agreement.

To activate the External Transfer Service you must have at least one eligible deposit account with Bank from which you may transfer money and at least one External Account. External Account ownership will be verified prior to the transfer relationship being set up and you may be required to provide verification of ownership and relationship to the External Account(s).

Any transfer made from any of your savings accounts by using Internet Banking is a restricted transfer subject to certain limitations. Please refer to Bank Fee and Information Schedule for full details.

As used in this Agreement, "Business Day" refers to Monday through Friday, excluding federal holidays.

2. Statements

All of your transfers made through the External Transfer Service will appear on the statement for your respective accounts.

3. Cancellation of Your Service

To cancel the External Transfer Service, call Bank at 605-232-6060 for Dakota Dunes customers and 605-977-9000 for Sioux Falls customers. It is your responsibility to cancel any Recurring or Future Dated transfers. When you cancel the External Transfer Service, you will no longer be able to access any of your External Transfer Service features, including without limitation, prior transfer information without re-enrolling in the External Transfer Service. You will not receive a refund of any service fee if your External Transfer Service is cancelled. Such notice will serve to cancel your External Transfer Service only, not your entire Internet Banking nor your account relationships with Bank.

4. Bank's Right to Review External Transfers

As a sender of any transfer using the External Transfer Service, you acknowledge and agree that Bank may delay or cancel a request to transfer money and/or charge back the amount of such transfer to the Transfer From account or other account at the Bank's discretion or claim a refund from you for such amount for various reasons including fraud, duplicate payment, incorrect amount or incorrect recipient.

5. External Transfers

Bank will not be obligated to make any transfer you may request unless there are sufficient available funds in your Transfer From account to cover the transfer on the Transfer On date. If there are insufficient available funds to cover a transfer, Bank will not retry the transaction and the transfer will be immediately rejected. As well, you are responsible for providing Bank accurate and complete information and for verifying that all money has been properly transferred to the appropriate accounts.

The Cutoff Time for the External Transfer Service is 6pm CST on any Business Day. All Cutoff Times referenced in this Agreement reflect the times displayed on Bank's internal system clocks and may not necessarily be synchronized with the internal clock displayed on your computer. For this reason, Bank suggests that you transmit any instructions to Bank sufficiently in advance of such Cutoff Times to eliminate the possibility of missing the Cutoff Time.

All outgoing transfers are assumed to be Next Day. Money being transferred is taken out of the Bank Transfer From account on the Business Day that the transfer is requested, assuming all funds are available. Transfers between deposit accounts held by Bank and an External Account that Bank receives by the Cutoff Time on any Business Day will begin processing on the same day. Transfers **to** an External Account will be deducted from your Transfer From account held by Bank on the Transfer On date and will usually be reflected in your External Account on the next Business Day. However, the receiving bank's processing policies and guidelines still apply and may not allow for same day availability. Transfers **from** External Accounts are subject to the processing times of the financial institution holding your External Account. Instructions for transfers from External Accounts that Bank receives by the Cutoff Time on any Business Day will be sent to the holder of your External Account on the same day for processing.

Transfer instructions relating to External Accounts and the transmission and issuance of data related to such instructions shall be received pursuant to the terms of this Agreement and the rules of the National Automated Clearing House Association ("NACHA") and the applicable automated clearing house ("Regional ACH") (collectively, the "Rules") and you and Bank agree to be bound by such Rules as in effect from time to time. In accordance with such Rules, any credit to your deposit account held by Bank or your External Account shall be provisional until such credit has been finally settled by Bank or the third party institution which holds your External Account, as the case may be. You acknowledge that you have received notice of this requirement and of the fact that if Bank does not receive final settlement for a transfer for any reason, Bank shall charge back the amount of such transfer to the Transfer To or Transfer From account (as applicable) or any other of your accounts or claim a refund from you.

6. Recurring Transfers

If you desire to cancel a Recurring transfer, you should cancel your transfer online prior to the scheduled Transfer On date. If for any reason you cannot access the External Transfer Service, you may also call Bank at 605-232-6060 for Dakota Dunes customers and 605-977-9000 for Sioux Falls customers.

7. External Transfer Service Fees

Bank will charge a one-time ACH Setup fee of \$15.24 for each transfer relationship set up and this will be charged to your Bank account. If Bank processes a transfer in accordance with your instructions that overdraws your account, Bank may assess a fee for any such overdraft in accordance with the terms of your Agreement for Depository Accounts. From time to time, Bank may amend any of the terms and

conditions, including fees, contained in this Agreement upon notice to you. You are responsible for any overdraft or return item fees that are incurred based upon the timeliness of delivery or the lack of availability of funds at the time of the transfer. You are also responsible for any fees assessed to the External Account(s) noted in this Agreement.

8. **Liability**

If you permit other persons to use the Transfer Service or your Password, you are responsible for any transactions they authorize from your accounts. **If you believe that your password has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, notify Bank AT ONCE, by calling 605-232-6060 for Dakota Dunes customers or writing Bank at Security National Bank of South Dakota, Attn Internet Banking, 325 Dakota Dunes Blvd., Dakota Dunes, SD 57049. For Sioux Falls customers, call 605-977-9000 or write to Security National Bank of South Dakota, Attn Internet Banking, and P.O. Box 91650, Sioux Falls, SD 57109-1650.**

Bank shall be responsible only for performing the services expressly provided for in this Agreement and shall be liable only for its gross negligence or willful misconduct in performing those services.

Your authorization to the third party to make these transfers can occur in a number of ways. For example, your authorization to convert a check to an electronic fund transfer or to electronically pay a returned check charge can occur when a merchant provides you with notice and you go forward with the transaction (typically, at the point of purchase, a merchant will post a sign and print the notice on a receipt). In all cases, these third party transfers will require you to provide the third party with your account number and financial institution information. This information can be found on your check as well as on a deposit or withdrawal slip. Thus, you should only provide your financial institution and account information (whether over the phone, the Internet, or via some other method) to trusted third parties whom you have authorized to initiate these electronic fund transfers. Examples of these transfers include, but are not limited to:

(c) In addition, you will get a monthly account statement from us, unless there are no transfers in a particular month. In any case you will get a statement at least quarterly.

PREAUTHORIZED PAYMENTS

(a) Right to stop payment and procedure for doing so. If you have told us in advance to make regular payments out of your account, you can stop any of these payments.

Here's how:

Call or write us at the telephone number or address listed in this disclosure, in time for us to receive your request three business days or more before the payment is scheduled to be made. If you call, we may also require you to put your request in writing and get it to us within 14 days after you call. We charge a fee* for each stop payment. *See fee and information schedule for fee amount(s).

(b) Notice of varying amounts. If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. (c) Liability for failure to stop payment of preauthorized transfer. If you order us to stop one of these payments three business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

FINANCIAL INSTITUTION'S LIABILITY

(a) Liability for failure to make transfers. If we do not complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

- If, through no fault of ours, you do not have enough money in your account to make the transfer.
- If the transfer would go over the credit limit on your overdraft line.
- If the automated teller machine where you are making the transfer does not have enough cash.
- If the terminal or system was not working properly and you knew about the breakdown when you started the transfer.
- If circumstances beyond our control (such as fire or flood) prevent the transfer, despite reasonable precautions that we have taken.
- There may be other exceptions stated in our agreement with you.

CONFIDENTIALITY

We will disclose information to third parties about your account or the transfers you make:

- (1) where it is necessary for completing transfers; or
- (2) in order to verify the existence and condition of your account for a third party, such as a credit bureau or merchant; or
- (3) in order to comply with government agency or court orders; or
- (4) if you give us written permission,
- (5) as explained in the separate Privacy Disclosure.

UNAUTHORIZED TRANSFERS

(a) Consumer Liability. Tell us at once if you believe your card and/or code has been lost or stolen, or if you believe an electronic fund transfer has been made without your permission using information from your check. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within 2 business days after you learn of the loss or theft of your card and/or code, you can lose no more than \$50 if someone used your card and/or code without your permission. Also, if you do NOT tell us within two business days after you learn of the loss or theft of your card and/or code, and we can prove we could have stopped someone from using your card and/or code without your permission if you had told us, you could lose as much as \$500. Also, if your statement shows transfers made with your card and/or code that you did not make, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time period.

VISA® Debit Credit

- Unless you have been grossly negligent or have engaged in fraud, you will not be liable for any unauthorized transactions using your lost or stolen VISA® card. This additional limit on liability does not apply to ATM transactions, or to transactions using your Personal Identification Number which are not processed by VISA®, or to commercial cards. VISA® is a registered trademark of Visa International Service Association.

(b) Contact in event of unauthorized transfer. If you believe your card and/or code has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call or write us at the telephone number or address listed at the end of this disclosure.

ERROR RESOLUTION NOTICE

In case of errors or questions about your electronic transfers, call or write us at the telephone number or address listed below, as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- (1) Tell us your name and account number (if any).
- (2) Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information.
- (3) Tell us the dollar amount of the suspected error.

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days (five business days if involving a VISA® transaction or 20 business days if the transfer involved a new account) after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a new

account, a point-of-sale transaction, or a foreign-initiated transfer) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (five business days if involving a VISA® point-of-sale transaction or 20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account. An account is considered a new account for 30 days after the first deposit is made, if you are a new customer.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the document that we used in our investigation.
